The exhibition opens in the school hall from 11.30am to 3pm and the official welcome is at 5pm will be followed by performances from students of all ages.

The showcase has been running for two years – visual arts teacher Gabrielle Landow kicked off the event to give students a chance to show the community what they could do.

Year 12 student Rachel Balderston, who will have four HSC body of works on show, said the community should come along.

A number of schools are participating, including Campbellfield Public School, Passfield Park School and The Grange Public School.
